Collection 5: Organic Growth

Dimension

Presence:

Amount:

Present

5 miles

Explanation

Tall, several stories of canopy. Dense woods.
Introductory layer having one story of growth.

Advancement

Presence:

Amount:

Present

Low

Explanation

Things have focused on historical preservation for the most part. Not much Organic Development occurring. Especially with the level of traffic on the river.

Achievement

Presence:

Amount:

Present

Medium

Explanation

Things are staying natural, but they are not totally vegan, mostly meat serving places for meals, inorganic housing development continues to occur.
