Collection 9: Organic Life

Miracles

Presence:	Amount:
Present	High

Explanation

It feels like living for me is being in the state of a continuous miracle of healing. It's also like remembering all of the miracles experienced by my ancestors and parents, as well. Flaria is some type of angel with the form of a man, I see him as a miracle, but he's very sick.

State of Living

Presence:	Amount:
Present	Unstable

Explanation

I'm constantly feeling possessed by pain from others, my heart is always getting extremely sore, and my overall state of living at home, here, is extremely uncomfortable. I feel unsafe all day and night. Someone dyes my hair and body brown. I can't see clearly from my lashes being dyed brown.
