

Collection 0

Collection 8: Organic Love

Love

Presence:	Amount:
Present	High

Explanation

He is getting a lot of love from people closest to him that are needing him and have been working so much to rescue him, whether aware or not of the doing.

Belonging

Presence:	Amount:
Present	Low

Explanation

Still needing to feel a sense of safety in his belonging without his Dream Suit.

Connection

Presence:	Amount:
Present	Low

Explanation

Not feeling connected to Rose enough or others in reality because he is still relying on wearing his Dream Suit.

Empathy

Presence:	Amount:
Present	High

Explanation

Too high for his need to stay alive. Keeps his thinking low and stays resting in Forest's bed.

Comfortability

Presence:	Amount:
Present	Low

Explanation

Struggling to be comfortable because his is not maintaining constant presence because of his Dream Suit.

Compatibility

Presence:	Amount:
Present	High

Explanation

Rose is now showing up in Dream Gear, and so is Louis, Flaria, and Forest is remaining Organically Present.

Interplayfulness

Presence:	Amount:
Present	Low

Explanation

Able to be lowly interplaying.

Intimacy

Presence:	Amount:
Present	Low

Explanation

Intimate in touching us when he needs to hug and is with Rose when she needs it.

Life Growth

Presence:	Amount:
Present	Low

Explanation

Has sea contaminations and is also low in the ability to be with Rose from how long they were separated. He is now able to but has such contamination that it is late in detoxing from where we have all been learning to detox because of his distance that was kept.
