# **Explanation**

able to have it.

**Presence:** 

Explanation

Present

**Presence:** 

Present

**Behavioural Freedom** 

with relief living placement here in the

neighborhood of 9 Debra Lane, allowing

#### Not able to behave himself out of his Dream Gear due to expectation from Dream Gear wearers of Recognition Malnourishment with Forest.

**Independence Freedom** 

**Presence: Amount:** Low Present

### Cannot go back to be completely alone, becoming dependent in a healthy way to fulfill that need.

**Explanation** 

**Rest Freedom** 

**Amount:** 

Low

## **Presence:** Present

**Explanation** Struggling to be able to rest in his Dream Gear because he is experiencing a state of healing the bumps that he was getting from the ocean tide, but he is waking from that conditioning at that

rate and so is still learning how to rest fully the

using T.V. to help him condition some old activity

remainder of the evening and night. Forest is

# of thinking that he had, such as Netflix bingeing.

**Sleep Freedom Presence: Amount:** 

Low

# **Explanation**

Present

Struggling to maintain a sleep state that is deep because of his Dream Gear that he fears he will not survive without wearing because of the Dream Gear Wearing community in the military and where they are in operating the Govenment as officials and how he knows to be obediant to their commands and suggestions rather than what he organically needs.
