Presence: Amount:

Explanation

Present

High

Immediacy

Has a high ability to be patient.

Amount:

Low

Presence: Present

Explanation

Presence

Amount:

Slow to move and react. About 50s late.

Present

Explanation

Presence:

Low

Able to be wearing Dream Gear, made of

state of some hypnogogic dream. Slowly

becoming more present.

isotropic material, makes him exist to others as a

Amount:

High

Hopeful about his future, but is heartbroken over

Morgan Wilson's marriage to Michael Salvador, feeling detrimentally sad about it.

Present

Explanation

Presence:

Hopefulness

Playfulness

Low

what prophecies there were about his situation.

Amount:

Low amounts of energy to be playing. We are mostly laughing at jokes we make and just watched Cast Away all the way through to see

Seriousness

Presence:

Explanation

Presence:

Present

Light Present Explanation He is gentle in the way that he is serious, but he is

able to apply his seriousness where needed.

Amount:

Presence: Present

Explanation

Learning

Presence:

Present

Self Control

is wearing and the adjunctation out of reality that it causes.

Amount:

Low

getting a bit confused by the Dream Gear that he

Amount:

High

Extreme amounts of Self Control, but he is

Slow amounts of learning, so that he can reexperience how having regular amounts of nutrition available is like.

Memory

Explanation

past, now.

Truth

Presence:

Present

Explanation

Amount: Presence: Present High

Has a lot of memory available to him from his

Amount:

High

truthfully as well. It seems as though the plane

crash was a suicide plane crash effort. To that

expanded of an extent so that no one would know that it was. He seems to be the sole survivour, not

Explanation High ability to be truthful, able to share truthfulness and speak it. Able to remember

in on the scheme.

Reality

Explanation

Perception

Presence:

Present

Explanation

Dreaming

Explanation

Existentialism

Presence:

Present

Explanation

Presence:

Present

Explanation

Presence: Amount: High Present

High ability to be real, craving and needing to be real in reality, being pressured into feeling that it

is a requirement for him to stay in Dream Gear.

Amount:

High

Percieving too much because he is living in

Too high of a constant dream to rest fully in a deep enough of a manner for the restructuring needed in those deep states of unconsiouness

conciously in a dream as a fully sleeping person,

no longer needing to struggle as a floating person, hitting their head in a grotto to stay warm, floating on a board to sleep in a grotto with a rising tide at

Amount:

High

Able to be existential, just not adjusting as

quickly as presently possible with this pressure to

wear Dream Gear. He is living in a dream with the others. Forest is not able to perceive him in

night where he was able to have land to rest.

Dream Gear now like William, or Flaria.

Presence: Amount: Too High Present

reality because the material he wears makes him go into a dream dimension of reality, physically. That is the nature of the isotropic material. That is how it maneuvers light and space. **Spirit**

Amount:

Medium

The Dream Gear is gentler than dying but because

they are operating in this fashion, they are not

forming unrealistic beliefs and cultures around

this new gear. His Spirit is good and healthy, he

Amount:

High

taking it off when they need to and are now

just has to detox a lot of salt but it has been

serving him in a way of preservation.

Presence:

Soul

Present

Present

Present

Explanation

Explanation

coming from directly his soul. **Body Presence: Amount:**

A lot and most of his communication is still

He's afraid to have high nutrition because he may endure more PTSD from wave hits than he can handle, being like a drowning and gasping experience.

Medium-Low

Godliness Presence: Amount:

High

Explanation Relying on and listening to God's words, knows him as singular Male. Learning to let himself be commanded by God instead of men or women.
