well or having them brought here. For some people, keeping low profile is a struggle or concern.

Presence:

Present

Explanation

Interplayfulness

people are more proficient in involvement, others are more witnesses.

Everyone interplays with one another. Some

Intimacy

Presence:

Present Low

Amount:

Explanation

alone, you may gain one night of intimacy with your twin.

Life Growth

Amount:

If you survive for 6 years stranded on an island

Presence:

Present Medium **Explanation**

There are lots of medical struggles here with cancer and battling malgrowth (false growth: tumors, tinea versicolor, and alopecia). There are also issues with people becoming visible and real in the fact that they are in your bed mating with you, rather than secretly sending messages that don't really exist in life to confess their presence.
